A LETTER TO BOOMING MINDS PARENTS

08/02/2020

Dear Booming Minds Parents,

The unprecedented Covid-19 pandemic has changed our lives and the lives of our children in a dramatic way. We, as teachers and parents, deeply understand the challenges you are facing. We sincerely hope the online courses and services we provided is what you had expected and what your children needed. We deeply appreciate the trust and strong support from you, the Booming Minds Parents, in the past a few months. Because of **YOU**, we successfully opened 40 courses for almost 500 students from all over the country. In particular, we are grateful to many of you who enthusiastically introduced new families and students to us. It is because of that we can grow and have the privilege to serve more families in need. To thank you for your continuous support, we would like to provide you with **\$50** course credit for **EACH** new student you refer to join us from now on, and **YES** it's stackable!

In the meantime, we are happy to announce that we are in the process of constructing our new website to streamline student registration, course selection, and payment process. We are continuing our efforts to improve our course curricula, teaching efficacy, and customer services. We can not achieve this without the most crucial piece of information: your feedback and suggestions. We, therefore, ask you to provide your thoughts and suggestions using text message or short video to help us improve our services. We hope to use your positive feedback as **testimonials** on our new website. Of course, we would honor future class credit for those selected as testimonials in the following categories:

- 1) Text Testimonials of Parents: 5 with **\$25** credit each.
- 2) Text Testimonials of Students: 5 with **\$25** credit each.
- 3) Short Videos of Parents: 5 with **\$100** credit each.
- 4) Short Videos of Students: 5 with **\$100** credit each.

Text message testimonials should ideally have 70-110 words each, and please include your name, city, and state. If submitting a short video, please make sure it has high-quality sound and pictures. Please submit your video link or text to adm@BM-edu.org by **Sunday, August 16, 2020**.

We are also happy to announce that we will continue to offer all established courses in the upcoming fall semester, with no tuition increase. As we await the school plans to solidify, your Booming Minds Team will be here for you and your children until you are ready to sign up. At that point, we will try our best to customize the courses to fit in the time slots of your children's schedule. It is definitely not the easiest for us, but we believe it is the right thing to do. **What you can help us with is to continue recommending us to your friends, and encouraging your children to invite their friends to join us.** This way not only will they have peers of choice to study along with, but also it will be easier for us to schedule a customized class for your children in a timely fashion.

We would like to thank you again for your trust and we treasure our relationship with you and your children. Wishing you and your family a pleasant rest of the summer!

Sincerely,

Your Booming Minds Team
